

National Institutes of Health Clinical Center
2023 Pay Ranges for T42 Clinical Research Support (CRS), effective January 1, 2023

Band Definitions:

- **Band I** represents a developmental continuum from the entry level through the full operating level.
- **Band II** represents an expert, specialist, or supervisory level that requires highly developed or specialized knowledge of an occupation.
- **Band III** represents a senior specialist, complex supervisory, managerial or executive level.

Application of pay rates to individual actions is subject to restrictions in NIH Delegations of Authority.
