Complete the following mandatory fields:

- **Report Subscription Name** – enter a meaningful name for the report
- **Description** – enter a brief description for the scheduled report
- **To Email Address(es)** – enter the full email address (e.g., firstname.lastname@nih.gov), multiple addresses should be separated by a semi-colon (;)
- **Subject** – this field will populate the Subject field of the email messages sent from the LMS
- **Mail Text** – this field will populate the Body of the email messages sent from the LMS; include contact information so that the recipients can opt-out of the report if they no longer want to receive it
- **Report Format** – select Adobe Format or MS Excel 97-2000
- **Occurs** – choose the occurrence based on the following information:
  - Daily Occurrence – this option delivers the report every set number of days. Entering a value of 1 would send the report daily; entering a value of 2 would send it every other day; entering a value of 3 would send it every third day.
  - Weekly Occurrence – this option delivers the report each week on the specified days. Click the checkbox to include the day in the delivery cycle.
  - Monthly Occurrence – this option delivers the report every set number of months on the set day number. Entering a value of 1 for the month and 15 for the day of the month would send the report on the 15th day of each month;
entering a value of 3 for the month and 28th for the day of the month would send the report on the 28th day of every third month (for a quarterly report).

- **Frequency** – use the default option of Once

- **Start Time** – the Start Time should be set to take place outside of core business hours (8:00AM – 5:00PM). This will improve the overall responsiveness LMS reporting for all users during normal business hours.

- **Start Date** – the Start Date is the date that the report subscription becomes active, not the date that the report will be sent. The subscription engine will then

Running the NIH registrations needing approval report

This section will guide approvers through the task of running the NIH Registrations Needing Approval report. This report allows you to easily view key information, such as the CAN, for any orders pending your approval. All registrations pending approval are listed in this report, regardless of whether or not your approval point has been reached in the approval chain.

The report also allows you to view another approver’s pending approvals, so you can take action on behalf of someone who would normally be unable to make the approval themselves.

When one of your team members is added to an order needing approval, you will receive an email notification from the LMS stating that there is a registration pending your approval.

Log on to the LMS.

Select the My Team icon.
Select the Reports link on the bottom left of the page.

![Figure 2 – Reports link](image)

Enter NIH Registrations in the Name field and select the Search button.

Select the checkbox for the name of the other approver.

Select the checkbox for the name of the other approver.

Select the Generate Report button.

Review the information included in the report to determine accuracy, paying attention to the CAN to ensure the proper obligation of funds. Any orders without a CAN will display as N/A.

**NOTE:** Refer to LMS QRG [TS73-S: Review/Add CAN on an order—Manager](#)
or Alternate Manager or TS74-A: Review/Add CAN on an order-AAO to modify a CAN if necessary.

To continue the process and approve the order, refer to the following LMS QRGs, depending on your role in the approval chain:

TS75-S: Approve Orders—Manager
TS76-S: Approve Orders—Alternate Manager
TS71-A: Approving Orders—AAO

Running the Certification Dashboard by Learner Report

This QRG provides instructions for generating the Certification Dashboard by Learners report. The report creates a list of your certifications, their statuses and expiration dates, based on selected parameters.

Log into the LMS.

NOTE: For instructions about logging on, refer to the Log-On Instructions (TS02-L) QRG.

Click the Reports link in the left navigation menu.

Enter Certification Dashboard By Learner into the Name field and click the Search button.

Click the **Actions** link.

Figure 3 – Actions link
Click the **Execute** link on the Actions activity menu.

Select a checkbox for each of the certification status types you wish to display.
By default, the Number of Days to Expire is populated with 30 days. This is the number of days in the future to report on expiring certifications. To view all of your certifications, regardless of the expiration date, clear to the field.

Click the **Generate Report** button.
