ACCESS TO NIH CAMPUS AFTER RETIREMENT

Retired employees may be eligible for an Extended Visitor Identification badge (ID) and a Vehicle Access pass. The Vehicle Access pass will allow you to enter onto the campus without having to undergo a vehicle search. The ID badge and the vehicle pass will be valid for one year from the date issued.

The request form (page 2) should be completed by the retiring employee and signed by your Administrative Officer. Once signed, it should be returned to the following address:

Division of Police – Extended Visitor  
31 Center Drive, MSC 2012  
Building 31C, Room B3B17  
Bethesda, MD 20892

The form may also be hand delivered to the police office or faxed to 301-496-9329.

Once the Administrative Office terminates the current badge in NIH Employee Directory (NED), the extended badge may be issued. The retiring employee will be responsible for obtaining the badge and vehicle access pass from the Police front desk in building 31, room B3B17.

While on campus, the vehicle access pass does not allow for parking, therefore you will be responsible for your own parking. You may use any of the paid visitors lots.
