The Management Knowledge Center includes all the resources you need whether you’re new to management or an experienced professional. It enables hands on learning, providing more than courses and books—it introduces an array of resources designed and chosen to challenge and motivate.

You just need to register one time. The link to access the knowledge center will then be available in your In-Progress Learning Activities portlet. Click the hyperlink below to access this knowledge center:

**Management Knowledge Center**

This one stop portal provides you with easy access to a selection of information, including articles, courses and online books specifically chosen by experts to facilitate learning regardless of skill level. Additionally, the Management Knowledge Center includes hands-on SkillSims™, useful job aids and SkillBrief’s for you to learn and use in a real-world environment.

If you experience trouble accessing this knowledge center, please submit a helpdesk ticket to HR Systems Support (HRSS) at:
