ASSIGNING CONTINUING EDUCATION (CE) REQUIREMENTS (AS A LEARNER)

By assigning a CE plan in the LMS, you can view learning credits or continuous learning point (CLP) requirements. You can also track these for a particular CE plan. For example, this would be useful for supervisors wishing to track their Supervisory Refresher Training or FAC-COR requirements.

1. Log on to the LMS.

   **NOTE:** For instructions about logging on, refer to the Log-On Instructions (TS02-L) QRG.

2. Click the Learning link in the left menu.
