Understanding the Promotions Report

It also displays metrics, which calculate the time it takes to complete the processing of a promotion. **Report View**

This report displays transactional and organizational information (WiTS #, IC, Admin Code/Org Initials, Employee Name, Position Title/Pay Plan/Series/Grade, Date Received in HR, Effective Date) as well as details specific to the promotion action:

- NTE (Not to Exceed) Date: applicable to temporary promotions
- Promotion Type: i.e., career ladder, accretion of duties, etc.
- Number of Days to Process Promotion
- HR Specialist: the CSD HR Specialist responsible for the action
The Action Status Code (depicted by a color-specific traffic light) next to each entry tells you quickly where a specific action is in the process.

### About Metrics

For actions that have been completed, WiTS counts the number of days between the Date Received in HR (or the Date Missing Docs Received) and the Effective Date. This data is used to calculate the **Number of Days to Process Promotion**. You have the option of selecting whether these days are calculated in “calendar days” or “working days” by making the appropriate selection on the parameter page.
