**NIH Workforce Resource Eligibility**

This is an overview and not intended to replace guidance available within the specific resources listed. Employee eligibility can be subject to certain requirements such as manager approval. Please consult the specific resource if you are interested in participating.

Eligibility is not guaranteed and may be affected by updates to policies and programs, we will do our best to ensure accuracy as changes occur. If you believe that a portion of the NIH Workforce Resource Eligibility Matrix is inaccurate or requires an update please contact the Women’s Employment Committee at edi.women@nih.gov.

Note that the NIH will continue to honor all current Collective Bargaining Agreements and will implement policies and programs consistent with the Agreements and its obligations under law, rule or regulation.
